

ABOUT SCOTT

I'm Scott Robertson Dyer, a candidate running for the District 2 seat on the Montgomery County Council. I'm a lifelong resident of Montgomery County and reside in Montgomery Village with my wife, Joy Kraus Dyer, a lifelong County resident as well. As a homeowner starting a family here, this is where our family will continue to live for generations to come. I know firsthand about life in Montgomery County and the issues important to its residents, as well as what needs to be done to preserve a high quality of life.

My wife and I are fortunate enough to come from families with noted service to the community, proud military service, family values, ethics, and exceptional character. I'm the youngest son of two very well-respected members of our community, Dr. Robert Francis Dyer, Jr., MD, a licensed physician with a private practice covering cardiology and internal medicine, and his wife Doris Swain Dyer, RN, a registered nurse. They have raised four children, including myself, who also continue to live locally in the County. My wife, Joy Kraus Dyer, is the daughter of two very well-respected members of our community, Mr. John Edward Kraus, a licensed Architect and his wife Judith Allen Kraus, who are also lifelong residents of Montgomery County and reside in Montgomery Village.

My wife and I are both graduates of the Montgomery County Public School System, and we were both commuter students who worked our way through college at Montgomery College and Marymount University. I received my Bachelor's degree in Business Administration and Joy received a Bachelor's degree in Interior Design, from Marymount University.

SCOTT R. DYER COUNTY COUNCIL DISTRICT 2

I am running for Montgomery County Council, District 2 and seek the opportunity to make a difference here in Montgomery County. I am a lifelong resident of Montgomery County and live in Montgomery Village with my wife, Joyce Kraus Dyer, a lifelong resident of the County as well. Between both of our families, we have called Montgomery County home for over three generations.

Montgomery County, District 2 needs leadership that is a local to the area and a leader who is familiar with all of our local issues. Lastly, the County needs a leader who is able to work effectively with the State and Federal Governments, as well as with neighboring Counties in Maryland and Virginia, and the District of Columbia City Government.

I look forward to the new challenges ahead in representing my fellow neighbors throughout District 2 on the Montgomery County Council. I will ensure the voices of District 2 are always heard, rights protected, as well as our tax dollars benefit our communities through vital transportation projects, schools and educational resources, public services and emergency response, agricultural industry assistance, recreation and public safety, homeland security and disaster preparation, crime and gang reduction, environmental protection, redevelopment and moderately priced housing.
